## **EMCC Conference in Prague, December 2008**

The 15th Annual EMCC Conference will take place in Prague, from 4 -6 December 2008

Europe's premiere coaching and mentoring conference brings together researchers, scheme co-ordinators and practitioners of mentoring & coaching from across (and outside) Europe.

For anyone involved in the mentoring & coaching business, education or the community at large, it provides a central focus which has increased in popularity since the first conference was held in 1992.

New insights and developments in mentoring & coaching are continually evolving and the annual conference acts as a show case of these developments as well as a forum for sharing current best practice.
