INTRODUCTION SEMINAR "COACHING AND MENTORING" IN BANJA LUKA

Introduction seminar "Coaching and Mentoring" was held in Banja Luka, Republika Srpska

It is a first private practice in Bosnia and Herzegovina and it provides coaching for individuals and groups, trainings and seminars just as advisory services for professionals through supervision of their coaching practice.

Igor Krnetić, MA gained his Bachelor degree in psychology and his Master degree in psychology at the Department for Psychology of Faculty for Philosophy in Banja Luka. He got DAAD (Deutscher Akademischer Austausch Dienst) scholarship in 2000/2001 and was studying in Munich at Ludwig-Maximilians-Universität.

After many years of specialization he became qualified for application of rational-emotional and cognitive-behavioral therapy and is associate of Albert Ellis Institute, New York, USA.

He was trained at the Albert Ellis Institute in New York for training and supervision of professionals and thus became first accredited supervisor in Bosnia and Herzegovina and second one in Balkan.

In Centre for Coaching, London he was trained to be coach and he is a member of Society for Coaching Psychology.
