**EMCC CONFERENCE IN AMSTERDAM, NOVEMBER 2009**

The 16th Annual EMCC Conference will take place in Amsterdam in November 2009.

Mobilis will take active participation in this conference by announcing and facilitating three sessions. Europe's premiere coaching and mentoring conference brings together researchers, scheme coordinators and practitioners of mentoring & coaching from across (and outside) Europe.

For anyone involved in the mentoring & coaching business, education or the community at large, it provides a central focus which has increased in popularity since the first conference was held in 1992.

New insights and developments in mentoring & coaching are continually evolving and the annual conference acts as a show case of these developments as well as a forum for sharing current best practice.
